HOLY SPIRIT CATHOLIC SCHOOL

Athletic Policy

All Holy Spirit Catholic School student-athletes serve as representatives of Holy Spirit Catholic School. It is a privilege to participate in athletics at Holy Spirit Catholic School. A student-athlete who represents Holy Spirit Catholic School is held to a standard of conduct which earns a position of honor, respect and responsibility, both in the school and in the community. To uphold this position the student-athlete must adhere to and maintain the following standards of conduct set forth by the Holy Spirit Catholic School Student-Athlete contract throughout the entire school year.

At HSCS:

- ⇒ It is our goal for students and athletes to have fun in a safe, educating, and competitive environment.
- ⇒ While winning is always a goal in any athletic competition, and the team(s) want to win; our ultimate goal is to teach our players to learn how to work together in a team environment and become strong, confident leaders.
- ⇒ In order to achieve this, we will provide our athletes with an enriched learning environment with a strong emphasis on sportsmanship and teamwork.
- ⇒ We will prepare our athletes for game play at the junior high level and also at the senior high level, so they have the skills and confidence to try-out for high school teams; this is a priority for our athletic program.
- ⇒ While all players will participate in games, the time on the floor will not be equal in our junior high program.
- ⇒ Athletes who show greater skill and development will play more often, to maximize learning the physical, strategic, and teamwork components of the game needed to properly play the sport.
- ⇒ Those players needing to learn the game and further develop their skills, will get an opportunity to practice and observe, as well as play in certain situations deemed appropriate by their coach.
- ⇒ In our Developmental program, all students will play and time on the court will be shared throughout the season.
- ⇒ In order for all involved to have a rewarding and successful season, all student-athletes are expected to follow the HSCS Student-Athlete Contract and all parents/guardians of student-athletes are expected to follow the HSCS Parent Contract for Athletics during the school year.
